- A. Any amount due to the lender under any credit facility is 'overdue' if it is not paid on the due date fixed by the Lender. If there is any overdue in an account, the default/ non-repayment is reported with the credit bureau companies like CIBIL etc. and the CIBIL report of the customer will reflect defaults and its classification status.  
Moreover, the Borrower is informed & agrees upon, that:
- B. In case of interest payments in respect of term loans, an account will be classified as NPA if the interest applied at specified rests remains overdue for more than 90 days.
- C. Loan accounts classified as NPAs may be upgraded as 'standard' asset only if entire arrears of interest and principal are paid by the Borrower.
