3. The Compliance with the Regulations & other applicable circular, the terms & covenants of the Non-Convertible Debentures (NCDs) as per the Offer Document/Shelf Placement Memorandum and Debenture Trust Deeds and calculation of security cover as given in the attached Statement is the responsibility of the Company's management. Auditor's Responsibility

- 4. Our responsibility for the purpose of this certificate is to express limited assurance as to whether anything has come to our attention that causes us to believe that the details included in the accompanying Statement regarding book debt receivable and other assets offered as security against listed debt securities of the Company outstanding as at 31st December, 2022 are, in all material respects, not in agreement with the unaudited standalone financial information of the company, underlying books of account and other relevant records and documents maintained by the Company for the quarter ended 31st December, 2022.

Our review of unaudited standalone financial information was conducted in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India ("the ICAI"). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial information is free of material misstatement. A review is limited primarily to inquiries of the company personnel and analytical procedures applied to the financial data and thus, provides less assurance than an audit. We have not performed an audit and accordingly, we did not express an audit opinion.
- 6. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained, had a reasonable assurance engagement been performed. The procedures selected
